

# Milk Pick Up

Pick up location:

109 Dennis Dr. Lexington, KY 40503

**LACTATION CARE**  
with ELIZABETH

one

- **Step 1:**
- Purchase milk through The Milk Bank. Start the process online at [themilkbank.org](http://themilkbank.org) and if your need is urgent, please contact The Milk Bank at 317.536.1670.

two

- **Step 2:**
- We partner with The Milk Bank as a Milk Express to provide pasteurized donor human milk. Milk Express sites are convenient, community-based locations where families can pickup their order of safe donor milk.

three

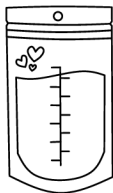

- **Step 3:**
- Please contact us at 859.832.0203 to schedule a pick up. We will give you a time between Elizabeth's appointments Tuesday through Friday. We may have limited weekend & Monday pick up availability, please contact for options.

four

- **Step 4:**
- When you arrive at 109 Dennis Drive, Lexington, KY 40503 for pick up, please park in the back & come in the back door with the Milk Bank sign. You can wait in the office kitchen or living room waiting area until someone is able to help you.

five

- **Reminders:**
- Please have your email receipt with the number of bottles you have purchased ready to be checked. **We cannot dispense milk without the receipt.**
- We will need the baby's name and birth date.
- We have bags to put the bottles of milk in. If you are traveling a long distance, please bring your own cooler & ice.
